

Thank-you messages

A short, personal note is enough. Change anything that does not sound like you.

Copy a message, replace every [field] and check the details before sending. Use a private chat for addresses, contacts and links.

For a guest

Hi [name], thank you for celebrating [event] with us. We loved sharing [specific moment] with you. Sending you a big hug!

For a gift

Hi [name], thank you for [gift]. It was thoughtful of you to remember [occasion]. We appreciate it so much!

For a padrino or madrina

Dear [name], thank you for being our [padrino / madrina] and helping with [specific contribution]. Your support made [specific part of the celebration] possible. We're grateful you were part of this day.

For practical help

Hi [name], thank you for helping with [specific task]. It made the day easier for us, and we really appreciate the time you gave.

For family who joined remotely

Hi [name], thank you for making time to join us from afar for [event]. It meant a lot to share [moment] with you. We hope to celebrate together in person soon.

For a vendor

Hi [name], thank you for providing [service] for [event] on [date]. We appreciated [specific, accurate detail]. Thank you to you and your team.

Share only details and photos you have permission to share.
