

WhatsApp invitations and reminders

Copy, personalize and send only to your intended guests.

Copy a message, replace every [field] and check the details before sending. Use a private chat for addresses, contacts and links.

Invitation

Hi [name]! We'd love to celebrate [occasion] with you on [date] at [time and time zone]. Place: [venue and address]. This invitation is for [number] people. Please reply by [RSVP date] with how many can join. Questions? Message [adult contact].

RSVP reminder

Hi [name]! A quick reminder to confirm for [event] by [RSVP date]. Can you join, and how many people from your invitation will attend? A yes or no helps us plan. Thank you!

Event reminder

See you at [event] on [date] at [time]! Place: [venue and address]. Helpful detail: [parking, entrance or other confirmed information]. If your plans change, please tell [adult contact].

A confirmed change

Hi [name]. There is a change to [event]: [clear, confirmed update]. The updated [date / time / location] is [details]. Please reply so we know you saw this. Thank you!

Optional remote viewing

If you'd like to join from afar, we plan to connect on [date] at [time and time zone] using [platform]. Private link: [link]. We'll test first, but a live connection is not guaranteed. If it fails, our plan is [agreed fallback].

Share only details and photos you have permission to share.
